

This year Vista Systems started building glass furniture. We now have the capacity to make to order your idea for glass conference tables, glass dining room tables, glass coffee tables and any type of glass furniture you would like to have.

Our glass tables are made with 1/2" thick tempered safety glass with polished edges. The base can be made of glass also. 1/2" glass is available in clear, ultra clear low iron, blue, green, gray and bronze. Please come to us with your design and let us help you realize it.

80" X 80" Dining Room Table
